Instructions

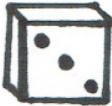

Pick a word from your spelling list before rolling the dice and complete a challenge depending on what number you roll; or make your own dice with words instead of numbers and aim to put your words in a sentence.

Spell your word

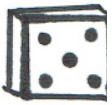

Write a sentence containing the word

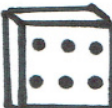

Draw a picture of the word

Write the definition of the word

Write any synonyms (words or phrases with similar meanings in the same language, e.g. shut is a synonym for close)

Identify your words as a noun, verb, adjective or adverb.

Make Your Own Dice

Cut along the outside lines before folding the joints between the different squares and flaps.

Add glue to the flaps before folding the net into shape.
